Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: The prior art of record taken alone and in combination does not disclose "a system for determining an acoustic and/or thermal characteristic of a target material, comprising: a device for measuring a sound pressure generated by at least the acoustic source, to obtain a sound pressure measurement, a density sensor arranged to measure a density of the target material to obtain a density measurement, and an analyzer arranged to receive the sound pressure measurement and the density measurement, wherein the analyzer is capable of determining an acoustic and/or thermal characteristic of the target material based on the sound pressure measurement and/or the density measurement" as recited in claim 1. These limitations are neither taught nor made obvious by the prior art of record.
2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
